

2ND ANNUAL
LOVE OUR COMMUNITY

Dear Community Partner,

I am reaching out on behalf of Love Our Community, a 501c3 organization in Stark County. We are celebrating our 6th year as an organization, and what a blessing it has been to serve our community.

We work to meet the unseen needs of our community members. We strive to connect people through resources and relationships to improve their quality of life relationally, emotionally, physically, and spiritually all while pursuing the highest good for each other. We provide stabilization housing, case management, pastoral counseling, domestic violence survivor and veteran services, community meals, and more.

Over the last six years, with the generous support of community members and businesses, through fundraising and donations, we have assisted domestic violence victims, veterans, and people struggling with homelessness and food insecurity. We have also been able to provide immediate short-term housing, long-term housing, pastoral counseling, and so much more.

We are reaching out as we are hosting our 2nd Annual **Be the Love Men Who Cook** on Tuesday, October 15, 2024, at the Hartville MarketPlace & Flea Market from 6–9 pm. We are seeking in-kind donations for our silent auction as well as Sponsors. Our event is our largest fundraiser and helps us continue to be the love for our community members who may be silently struggling. Funds we raise will increase the impact on our community and help us maintain our mission.

Will you consider financially supporting this event and help us continue to help more individuals in our community?

Enclosed, please find a Sponsorship Form and an In-Kind Donation Form that highlights how you can support our mission through this event.

Thank you in advance for taking the time to consider partnering with us. Your sponsorship will help support Love Our Community. With your help, we can raise awareness and help our community members who are silently struggling.

We want to thank you in advance for your generosity. Please plan to join us on October 15, 2024 at the Hartville MarketPlace & Flea Market for a fun, beautiful evening celebrating the impact of coming together over the last six years, while raising vital funds to sustain the mission to love our neighbors in need.

With great gratitude,

A handwritten signature in blue ink that reads "Kelli".
